## Professional Summary

---

If you Google Mustansar Mahmood, I'm the top result. I'd love to do the same for your brand. Over the past few years, I've progressed from freelance writing to leading teams of up to **15 writers** while helping businesses grow their organic presence by **1.5x–2x** through strategic content planning and editorial leadership.

## Professional Experience

---

### Technical Content Writer, *WordLayouts*

06/2026 – Present  
Lahore

- Research and create **long-form technical guides** for a U.S.-based template library covering business, HR, finance, construction, legal, and operational topics.
- Analyze templates and translate their workflows, calculations, and practical use cases into clear, beginner-friendly documentation.
- Collaborate with editors to refine content for accuracy, readability, originality, and adherence to detailed editorial and SEO standards.
- Produce comprehensive, research-driven content across **12+ industries**, requiring rapid subject-matter research and adaptation to unfamiliar domains.

### Content Team Lead, *ManagingSeo*

04/2025 – 01/2026  
Lahore

- Led a team of **15 writers** producing 150+ SEO-focused articles and technical guides across 10+ client projects, helping client websites achieve 1.5x–2x organic traffic growth.
- Hired, trained, and managed writers; edited and proofread their work; and created **15 SOPs** and **guides** to standardize research, writing, quality assurance, and submission workflows.
- Served as the **primary content contact** for 7 clients, coordinating deliverables, addressing feedback, and communicating project progress and content priorities.
- Supported keyword research, content planning, site audits, competitor analysis, search-term review, landing-page content, Reddit strategy, and basic Shopify updates.
- Wrote website copy, landing pages, social posts, ad copy, and email marketing content for client campaigns.

### SEO Content Writer & Lead, *SoftXcess (Contract-based Role)*

01/2025 – 03/2025

- Created strong landing pages and blogs across SaaS and services niches for **7 websites**, helping drive better organic engagement and visibility.
- Trained and guided **2 writers** on research, search intent, content structure, on-page SEO, clarity, and editorial standards.
- Coordinated with **2 SEO specialists** and **one designer** to align briefs, content production, visual requirements, and publishing priorities.

**Sr. SEO Content Writer, StardomNow**

05/2024 – 12/2024

- Wrote **120 articles and landing pages** across packaging, Hajj & Umrah, and travel services niches.
- **Ranked 30 blogs** on the first page with proper keyword placement, in-depth research, and content drafting to increase organic engagement.

**Senior SEO Writer, UKR (Ukraine-based Agency)**

04/2023 – 04/2024

- Wrote **40 high-quality blogs** in the niche of lifestyle, travel, and Amazon reviews, to achieve over **3x site traffic**.
- Proofread the content from **7 writers** and trained them as per the company's SOPs to achieve better results.

**Freelance Content Writer, Multiple Clients**

02/2022 – 09/2023

- Delivered **45 SEO blogs** in niches like Filmora, YouTube tutorials, and Cryptocurrency for 5+ international clients.
- Documented SaaS tools like **UnlockGo** and **FonesGo**, writing 15+ how-to guides and technical articles.
- **Created 10+ infographic-supported articles** using Canva for data-driven storytelling.
- Published **30+ affiliate reviews** and **how-to blogs** on home appliances, tires, and camera gear.
